

Nitro 70

Short Description

Nitro 70

Sold in a quart bottle (0.94Litres).

Give us a call on 095256858 to find out price and availability.

Nozzle available on request.

Description

High viscosity, high-performance motor oil engineered for use in nitromethane or methanol fueled competition engines. The heavy viscosity and exceptional film strength provided by the Penn Grade™ base oils helps protect against cylinder 'wash down' and oil 'thinning' from fuel dilution typically encountered in these applications.
